The seeds of Sacred Garden Fellowship were planted in October of 1987 when Don Gilbert and his wife, Linda, met Rev. Penny Donovan at a service at Trinity Temple in Albany where Penny was the founding Pastor. The following week, Archangel Gabriel arrived to teach for the first time. Gabriel taught for twelve years from October of 1987 to December of 1999. Rev. Penny, a natural medium and trance channel, and Don, a spiritual psychotherapist, have taught and healed together since 2000. They offer spiritual counseling on an individual basis and together facilitate one-day events and weekend healing retreats.
